Electronic Tax Statements

Enroll now for the 2021 Tax Year

The Ste. Genevieve County Collector's office now offers a paperless option to receive tax statements. The electronic tax statements will be available for viewing in November each year. To register, you will need the *eNotices Online Authorization Code* printed on the 2020 tax statement(s) you received from Ste. Genevieve County. If you do not have your 2020 tax statement(s), contact the Collector's office at 573-883-5492, option 5.

Once registered, you will access your 2020 and future tax statements electronically instead of by paper sent through the US mail. In future years, you will receive an email notification that your tax statements are ready for viewing, along with a link to your online account. If you wish to discontinue electronic statements, you may do so at any time by unsubscribing your account or contacting the Collector's office at 573-883-5492, option 5. Failure to validate the email address will also discontinue the electronic statements.

It is the taxpayer's responsibility to ensure that the email address provided to receive electronic statements is accurate and up-to-date. Please note that the email address provided shall be a closed record under Chapter 610 of the Revised Statutes of Missouri and will not be made public.

Failure to receive the electronic tax statements does not relieve the taxpayer of his/her obligation to pay the taxes due December 31st, or any statutorily imposed late penalties or fees.
