This is a partial listing of activity investigated by the Ste. Genevieve County Sheriff's Office. Except for arrests this report does not reflect actions initiated by our personnel, rather calls for service only. Also, a criminal charge is merely an allegation and the defendant is, of course, presumed innocent until and unless proven guilty in a court of law. Any questions about this press release should be addressed to Sheriff Gary J. Stolzer, Major Jason O. Schott, Chief Deputy or Lt. Toby Brewer at (573) 883-5820.

HIGHWAY PATROL

There were two accidents with injuries and three arrests reported by the Missouri Highway Patrol in Ste. Genevieve County during the previous week. The first accident took place at 7:49 a.m., Jan. 15. A 72-year-old Poplar Bluff man was northbound on Route ), south of I-55 in a 2001 Ford Taurus when he traveled off the right side of the roadway and became disabled in a snowbank. He suffered minor injuries and was transported by Ste. Genevieve County Ambulance (SGCA) to Ste. Genevieve County Memorial Hospital (SGCMH). He was wearing a seat belt. The second accident took place at 5:15 p.m., Jan. 17. Two people suffered minor injuries in a two-vehicle accident on interstate 55 at the 162.6 mile marker. A 38-year-old Ferguson ma in a 2019 Volvo VNL and a 32-year-old Sikeston woman in a 2019 Ford Flex were both southbound on I-55. The Volvo was in front of the Ford, when ice dislodged from the Volvo and struck the Ford. The Ford driver and a 25-year-old male passengers suffered minor injuries. Both went to SGCMH. The driver drove herself there, while SGCA took the passenger. The first arrest took place at 4:50 p.m., Jan. 15. Joshua A. Brooks, 20 of Ste. Genevieve, was arrested on a Patrol charge of possession of child pornography and promoting child pornography. The second took place at 5:27 p.m., Jan. 17. Donald C. New Picnic Tables Installed At Fairgrounds

New all-weather picnic tables have arrived and have been placed at the fairgrounds. These picnic tables were obtained through a grant through the Department of Natural Resources through their scrap tire grant program. They are of 100% recycled material and are definitely made to last. "They look great and are very durable and will last for many years," said Karen Stuppy, outgoing District 1 commissioner, who obtained the grant. "This provides more seating for our fair goes to take a break, listen to the music or just to relax. This grant was 100% paid for with no county funds or fair board monies used to purchase these tables. This would not have been possible without the help of the Southeast Mo Regional staff who wrote the grant, my fellow commissioners, Mark Marberry, Randy Ruzicka, Ste. Gen County Fair board, with extra help from David Bova and Jean Werner." The county Road and Bridge Department

transported, placed and assembled the tables. "It is always great to see improvement projects at the fair grounds and these tables are definitely a wonderful asset to the grounds," Stuppy said. "It is always great to see people come together to make a project happen to improve our county properties and help provide a seating area to our county fairgrounds." She encourages people to try out the tables and to "enjoy the social gathering with friends and family around the table to enjoy the county fair for many years to come."
